ABOUT US:

We believe that people with Down syndrome, Autism, Cerebral palsy and other developmental disabilities have tremendous potential. That's why we've created a lifelong plan of services to provide our family members with homes, jobs, recreation and a chance to participate in the world around them. For over 50 years, we've worked with our participants, their families, and friends to ensure that adults with developmental disabilities have the opportunity to live and thrive in Oregon.

THE EVENT:

Together with 400 friends, families, leaders, supporters, businesses, and the community, we will come together to celebrate the *Edwards Family* and the *Lifetime of Hope* that we provide.

We need you to continue our *Gold Standard* of care, support & services for individuals experiencing developmental disabilities and our commitment to them when their families are gone.
